🚀 Skills

C , C++ , Java , Python , ML , Kali
Linux , Data base , HTML

🎯 Objective

As a computer science student , set to graduate in [2024]. With a strong passion for technology and programming, I has developed a diverse set of skills in various programming languages And Throughout their studies, i has been involved in a number of projects including [ML , python ,Java] Currently, I am seeking opportunities to apply am skills and continue to grow in the field of computer science.

🎓 Education

| | | |
|---|--|------|
| ○ | Poorniman Institute of Engineering and Technology | |
| | Bachelor of Technology | 2024 |
| | 9.02 | |
| ○ | Sri Chaitanya Videa Niketan Vishakhapatnam | 2019 |
| | 12th | |
| | 64.6 | |
| ○ | New Holy Ganges Public School | 2017 |
| | 10th | |
| | 80 | |

👤 INTERNSHIP

| | | |
|---|--|--|
| ○ | MACHINE LEARNING AND DATA SCIENCE | |
| | • Poornima Institute of engineering and technology in Association with Upflairs Pvt Ltd and xpecto IIT Mandi | |
| | • Built project using machine learning algorithm and deployed on heroku and stream lit | |
| ○ | PYTHON BASICS | |
| | • Course Certificate on Coursera | |
| | • Built a project in python | |

👜 Experience

| | | |
|---|---|------------|
| ○ | ML | 27/06/2022 |
| | • I have Join as intern in Upflair which is associated with poornima institute of engineering and technology and xpecto IIT Mandi . | - 06/07/22 |
| | • In addition to my studies, i has also gained experience through Upflair, where i worked as learner . | |

Projects

ML project

I have made more than 10 ML project , web based applications which system ,such as

Food demand , Customer mail prediction , Predict on surviving or model , Identified Digital image using regression, Decision tree model prediction .

Web Browser

It is based on python.

I have developed a web search engine.

Chatbot and chatbot2.0

I have made a web based applications chatbot on using NLP algo .

And another one is advance version on chatbot .

Calculator

In python i have made calculator, which also calculated the advance

Student login form in Java with Database

In this we can add the students data , such as userid and password

Achievements & Awards

 I have enthusiastically completed 3 day hand on workshop on ETHI

 Summer Internship on ML AND DATA SCIENCE .

 NPTEL Certificate on Programming in Java .

 Microsoft Azure Data Fundamentals .

WORKSHOP

 Participate in Game Development

PUBLICATION

Blood Donation

• On the pandemic we have research that who can donate the blood
